Calgary Catholic Education Foundation

The Calgary Catholic Education Foundation (CCEF) is focused on enriching the educational experience of the students within the Calgary Catholic School District (CCSD). Through classroom and school grants, and in partnership with our supporters and funders, The CCEF creates additional educational opportunities for Calgary Catholic youth to have the best possibility for success today, and fostering their potential for the future.

About the Tournament

The CCEF 39th Annual District Golf Tournament serves as a unifying platform, bringing together educators, staff, alumni, community members, and corporate sponsors to celebrate Catholic Education. This event is pivotal in bolstering ongoing efforts to improve learning opportunities for students. Proceeds from the tournament will be channeled towards supporting various initiatives of the CCEF and those undertaken by Catholic Schools in the Calgary and Area community. Join us in championing the cause of Catholic Education!

As of 2024, the CCSD boasts over 5,000 full-time employees and continues to be recognized as one of Alberta's top 80 employers an achievement reached 14 times since 2009. The Calgary Catholic Education Foundation stands as the sole charity in Calgary dedicated to supporting the 118 schools and over 63,000 students within the CCSD. Committed to providing enriching learning opportunities, the foundation empowers each child to realize their full potential. The CCEF holds the distinction of being a registered Canadian charity.
